

Entrusted Legacy

Lives are changed where the work actually happens.

Most people underestimate the power of simple actions performed consistently over time. Every conversation, introduction, follow-up, post, prayer, appointment, and act of service creates momentum. Frontline Friendlies are the people who help the mission reach the world.

Who We Are

Entrusted Legacy exists to surround young people with caring adults — mentoring, guiding, and championing children toward a stronger future. The mission is simple: reach people and change lives.

Your Role

As a Frontline Friendly, you help carry out the day-to-day work that moves the mission forward — outreach, relationship building, promotion, support, fundraising, prayer support, appointments, referrals, content sharing, or commission-based opportunities. You're often the first connection people have with the mission. Not a paid employee position — a place to make a real difference.

The Bigger Picture

Imagine helping thousands of children find a caring adult, a steadier path, and a future they didn't think was possible. Some people consume. Some people contribute. A few people help build.

THE FINAL THOUGHT

The question isn't whether a child's future can change. The question is whether you're willing to be the one who helps change it.
