

Entrusted Legacy

Great missions rarely succeed or fail at the top — they succeed or fail in the middle.

Most organizations have vision. Most have workers. What they often lack are leaders who bridge the gap between the two. Outright Overseers are the organizers, communicators, encouragers, problem-solvers, and coordinators who turn good intentions into consistent action.

Who We Are

Entrusted Legacy exists to surround young people with caring adults — mentoring, guiding, and championing children toward a stronger future. The mission is simple: reach people and change lives.

Your Role

As an Outright Overseer, you work directly with leadership while helping Frontline Friendlies succeed — coordinating projects, answering questions, providing accountability, removing obstacles, and keeping people focused on the mission. Depending on the enterprise you may serve as a volunteer leader, mentor, coordinator, supervisor, ambassador, fundraiser, team builder, or commission-based partner. Not a paid employee position — a place to lead.

The Bigger Picture

Imagine helping thousands of children find a caring adult, a steadier path, and a future they didn't think was possible. Some people consume. Some people contribute. A few people help build.

THE FINAL THOUGHT

The question isn't whether a child's future can change. The question is whether you're willing to be the one who helps change it.
